FINANCIAL DEPARTMENT.

COMPTROLLER'S OFFICE, BANGALORE.

Circular No. 1543, *TADB, dated* 14*th June* 1927.

Subject:—Regarding the submission of Weekly Credit Statements relating to His Highness the Maharaja's Silver Jubilee Fund.

To—All Treasury Officers.

Attention is invited to this Office Circular No. 99 TADB, dated 18th May 1927 prescribing the submission to this Office of weekly statements of credits relating to His Highness the Maharaja's Silver Jubilee Fund.

As such statements are not at present being *promptly* received from *all* treasuries, very great difficulty is experienced in ascertaining the total weekly collections for the whole State.

All Treasury Officers are therefore requested to arrange for such statements being forwarded *without delay* in future, nil statements being invariably sent when there are no credits appearing during the week.

Such of the Treasury Officers as have not yet sent the lists for back periods are requested to do so *at once*.

GOVERNMENT COLLEGIATE HIGH SCHOOL, BANGALORE.

NOTIFICATION BY THE HEAD MASTER, GOVERNMENT COLLEGIATE HIGH SCHOOL, BANGALORE, REGARDING COLLECTION FEES BY MONEY ORDERS.

Some of the parents and guardians of the students of this Institution have been in the practice of paying the fees on behalf of their boys by money order to the Upper Secondary which involves a good deal of confusion in crediting the amounts in favour of the students as no details such as the class, section and the period, and the kind for which the particular Money Order relates will have been furnished. To avoid all such difficulties, especially matters involving money, it is hereby notified for the information of all that money orders in future addressed to the Head Master in respect of fees, etc., on behalf of the students, will on no account be accepted except in very special circumstances, such as serious illness of the student or death of a relative, etc., when the parents of such students, will furnish all the necessary details to facilitate entries in the School Registers then and there.
